WE LOOK FORWARD TO PROVIDING
YOU WITH THE BEST SERVICE
POSSIBLE TO MEET YOUR BANKING
NEEDS

The following guide will help answer any questions you
may have about opening an account with us.

ONE

Make sure to check the last pages of this guide to confirm you or your company does **NOT** operate in a prohibited jurisdiction or sector. Unfortunately, these are non-negotiable.

TWO

Please provide as much information as possible when describing the nature of your business. One-word answers will result delays processing your application as we will need to fully understand what you do before we can open your account

THREE

If you or your company has publicly available adverse media results it is unlikely, we could open your account, especially if finance related.

FOUR

Please provide us with full set of corporate documentation upon application*; incomplete submission delay the entire process

Documentation regarding use of nominee directors and or shareholders are also required

**Disregard for personal account applications*

FIVE

When dealing with complex ownership structures we need due diligence on ALL shareholders including entities owned by other entities and trusts.

HOW TO

ACCELERATE THE APPLICATION PROCESS

CERTIFICATION OF DOCUMENTS

- When you first submit your application and paperwork we do not require certification.
- Once your account is approved we will require all documents be certified or notarized.
- If a notary is not available we will accept documents certified by a licensed lawyer.
- Please note: If you use a lawyer for certification we need to be able to independently verify their position via online search, websites, professional directories or similar.

REFERENCE LETTERS

- For all accounts we require a financial or professional reference letter.
- These can be from a bank, broker, asset manager, lawyer or accountant.
- The letter should state the duration of relationship and what that relationship is.
- Letters need to be on letterhead of writer.
- Writer of letter will be contacted via phone or email to verify.
